Sir,

I beg to remind you of my letter dated 12-10-06. in which I requested you to kindly give early orders authorizing the issue of Government Medical Stores such supplies of Medicines and Instruments as may be required for this Institution from time to time at the cost price. As our new Supply of Medicines from England will not arrive before the end of January or early in February, and some of our Medicines being quite finished, we are at a loss as to how to supply them, as our funds are altogether too small to pay two & three times the original price, which are usually charged for in the Chemists Shops, I should therefore be very grateful to you, if you will be so good as to

pass any early order for the issue of such medicines and Liniments as may be urgently required, for cost price.

I beg
